

SOCIAL HOUSE BRIGHT SUNSHINE

A delightfully complex presentation of an evergreen garden with top notes of effervescent grapefruit, peach, pineapple, cassis, Meyer lemon, and juicy Brazilian orange; middle notes of rose, jasmine, muguet, ylang ylang, and herbaceous thyme; base notes of patchouli, sandalwood, sheer amber, exotic musk and vanilla.

The Social House aims to be a Melting Pot for getting people together and because of their way of doing things is perhaps just a little more personable and informal than some. And a touch off-beat: unusual cuisines; unexpected events; untypical meetings; unorthodox interiors; unconventional bedrooms; uncommon people.
