

CANDY SHOP BY AROMA RETAIL

Colorful gum drops and cotton candy heart notes are caressed by juicy berries and tart fruits while resting on a sugary sweet base. Top notes of Tangy Fruits and Sugared Berries; mid notes of Gum Drops and Cotton Candy; base notes of Pixie Sugar and Sweet Musks.

Candy shops sell candy and sweets, with the intended market usually being children. They often offer a selection of old-fashioned treats and sweets from different countries. Very often unchanged in layout since their inception, confectioneries and candy shops are known for their warming and nostalgic feel.
